

Companies

Explosive proof enclosures, fittings, housings, increased safety enclosures, stainless steel enclosures

Electronic timers, flashers, custom timing relays, surge suppressors, thermal circuit breakers

Fuses, terminal blocks, power distribution blocks and protective products for OEM accounts

Surge And Lightning protection

Current transformers, potential transformers

Hazardous area purge and pressurization systems

Custom magnets, transformers, chokes, reactors, power supplies

Thermal Imagers, Gas Sensing, Pyrometers

Cable solutions and power supplies

Liquid Sensing Technologies

Cam locks, Locking Devices, Battery Chargers, Pin and Power Connectors

Control power transformers, enclosed general purpose transformers, power supplies

Reactors, Harmonic Filters, Link Chokes

Filter fans, cooling units, air/water heat exchangers, chillers and heaters for enclosures and cabinets

Mechanical connectors, custom bus bar and connectors

Dynamic braking resistors, neutral grounding resistors, crane control resistors, motor control, high resistance grounding systems

Fiberglass, Polycarbonate & PVC Electrical and Instrumentation enclosures.

Entrelec Terminal Blocks

Liquid filled transformers up to 10 MVA

VIRGINIA TRANSFORMER CORP

Liquid Transformers from 500 KVA – 100MVA, Dry Type VPI Transformers from 300KVA – 10MVA, Reactors

Modular bus bar technology
